Speaker's Profile

Prof. K. Ramasubramaniyan

is a faculty at IIT Mumbai in the Cell for Indian Science and Technology in Sanskrit, Department of Humanities and Social Sciences. He holds a doctorate in Theoretical Physics, Masters in Samskritam, and Bachelors in Engineering. His research interests are in the fields Indian Logic and Philosophy.

Among his many contributions and achievements - He is one of the authors of **Ganita-yuktibhasha** (Rationales in Mathematical Astronomy) and **Tantrasangraha** which brings out the seminal contributions of the Kerala School of astronomers and mathematicians in the field of Mathematics and Astronomy. In 2008, he was conferred the prestigious award of **Maharshi Badarayan Vyas Samman** by the President of India in recognition of his scholarship as well as the outstanding research work done by him to the process of synergy between modernity and tradition. In 2010, the National Academy of Sciences India honored him by conferring the **R. C. Gupta Endowment** Lecture Award. He got elected as a Council member of the International Union of History and Philosophy of Science and Technology in the year 2013. He was a Member of the Second Sanskrit Commission formed by the Government of India, in the year 2014, and is a Member of the Central Sanskrit Board formed in 2015.
