Children and Parents will be introduced to Robotics, automation, sensors and programming.

FIRST Lego League Jr. Competitions

Learn from veteran FIRST Team JDroids about how to start your own team, skills required to run a team, registration detail, season calendar, technology cost, and time commitment.

FIRST LEGO League Jr. teams get to:

- Explore challenges facing today's scientists
- Discover real-world math and science
- Design and build a challenge-related model using LEGO® Elements
- Create a Show Me Poster and practice presentation skills
- Develop teamwork skills
- Choose to participate in Expos and showcases
- Engage in team activities guided by the FIRST Core Values

Hands on Activity for Children

1. Learn to build a simple structure
2. Learn about a simple machine
3. Learn to program a simple machine

Limited Seats. Registration is required.

Registration link will be emailed and posted at www.venkateswara.org at 9pm on the registration day mentioned above.
