SCRATCH PROGRAMMING

Create Stories, Games
& Animations using
SCRATCH
Programming

Who: Students in Grades 3 - 5
When: Saturday: May 18th, 2019
Time: 9:00 am – 11:00 am
Location: HTCS Classroom

Scratch Programming:

Young students will learn how to code using Scratch programming and create interactive stories and games. When students learn to code in Scratch, they learn important strategies for solving problems, designing projects, and communicating ideas.

What is “Scratch”?

Scratch (<https://scratch.mit.edu>) is a free programming language created by MIT, and it helps young people learn to think creatively, reason systematically, and work collaboratively.

Who can attend? Students Grades 3-5 only. Students must bring their own laptop (Windows or macOS) for the session.

Limited Seats... Registration is required.

Registration link will be emailed and posted at www.venkateswara.org
at 9pm on the registration day mentioned above.
